Age: 43

Occupation: Patient Care Coordinator - Home Health Company

Residence: 6834 W. 4035 So. WVC, UT 84128

Years at residence: 16

Qualifications: My qualifications include a BA from Utah State University, an Associates from Ricks College, 20 years in the healthcare business as a Case Manager, Department Manager, Hospital Discharge Planner, and Director of Marketing. I have been involved as a voting citizen since I turned 18. Most recently I have served 3 terms as a State Delegate. I am a married mother of four, two boys, two girls. They are 15, 14, 10 and 9. Some of the issues I feel passionately about are reducing DUI's by enforcement of current laws, coordination between agencies, and imposing stricter punishments for first time and multiple offenders. I also believe in fiscal conservatism. I believe there is waste to be found and eliminated. I believe that by creating (and maintaining) an environment that is conducive to doing business we will keep jobs in Utah. I believe that legislators should read the bills they vote on. I believe in states rights and individual rights and responsibilities. I intend to work hard for real healthcare reform that does not include a government take over of the industry.
